

SNOW COLLEGE

ADMINISTRATIVE DROP | UNOFFICIAL WITHDRAWAL

INSTRUCTOR INFORMATION

Administrative Drop (AD): An Instructor is eligible to submit an AD for any student who has not attended their course. No grade is recorded on the student transcript. A Last Date of Attendance is not required as there is an understanding that students who fall under the AD have not attended at all. For processing purposes, the Last Date of Attendance will be the first day of the semester.

Unofficial Withdrawal (UW): A UW grade is granted to a student if they had attended class *at least once* or completed *at least one online assignment* but stopped attending or participating at any time without following procedures for officially withdrawing. A UW grade holds the same weight as an 'F' grade and requires a last date of attendance. It indicates that the student earned an 'F' grade on the basis of interrupted attendance and not based on insufficient coursework.

ATTENTION:

- AD's must be submitted one week prior to the Last Day to Add in order to provide time for students to replace their credits for financial aid purposes.
- Courses offered on the Block schedule must have the AD submitted by the third day of the block.
- In the event that this form is submitted for AD purposes after the deadline, a UW will be granted instead.
